Fighting the “Big C”

SAYVILLE — The Golden Flashes girls' field hockey team, which won the Suffolk County Small Schools “Class B” Championship, engaged in a “C” battle against the “Big C”—breast cancer—during their phenomenal undefeated season. Their mid-season fundraiser raised \$1,000 for the Islip Breast Cancer Coalition.

While celebrating at their end-of-the-year dinner, the team and coaches presented the two representatives from the Islip Breast Cancer Coalition with a check.

Seen here accepting the check are: Maryann McGahey (far left) and Grace Drago (far right) with Sayville Field Hockey teammates (left to right): Caitlin Donnelly, Kelsey Schneider, Shannon Litvin and Olivia Cabral.
